

Growing Wisconsin Food and Agricultural Exports

Act 92 Wisconsin Initiative for Agricultural Exports – Report to the Legislature

WISCONSIN DEPARTMENT OF AGRICULTURE, TRADE AND CONSUMER PROTECTION (DATCP)

July 2024

WISCONSIN INITIATIVE FOR AGRICULTURAL EXPORTS (WIAE) BACKGROUND

- Part of the 2021-23 budget: \$1 million/year for 5 years
- Wisconsin Economic Development Corporation (WEDC) and DATCP
 - Promote Wisconsin agricultural products internationally
 - Cultivate and train Wisconsin agricultural exporters
 - Elevate Wisconsin's brand internationally

WIAE STATUTORY REQUIREMENTS

- Increase the value of Wisconsin dairy, meat and crop exports by 25%
- Submit a plan by December 31, 2022
- Submit funding requests 2022, 2023, 2024-25 and 2026
- Allocate \$2.5 million for dairy products, \$1.25 million each for meat and crop products
- Provide at least \$750,000 (15%) in grants to exporters
- DATCP and WEDC report by June 30, 2024 – progress to goals
- Audit of the agricultural exports program filed by December 31, 2026
